ABOUT ME

BSc IT student with practical experience in developing software and web applications. Proficient in Python, MySQL, SQL, HTML, CSS, JavaScript and React. Experienced in building real-world projects using modern technologies. Passionate about learning new technologies and solving real-world problems.

TECHNICAL SKILLS

Programming Languages : Python, Java, JavaScript

Authentication : Login & Registration, JWT

Databases : MySQL, SQL

Concepts : OOP, CRUD, Data Structures, Exception Handling

Frontend Technologies : HTML, CSS, JavaScript, React

Development Tools : VS Code, Antigravity

Backend Technologies : Flask, FastAPI, REST API, React

Version Control : Git, GitHub

Database Tools : MySQL Workbench, SQLAlchemy

Python Tools : pip, virtual environment (venv)

PROJECTS

• Private Chat Application | React, FastAPI, MySQL, WebSockets, JWT

Developed a real-time private chat application with user authentication, MySQL message storage, WebSocket communication, online/offline presence, and message status (sent, delivered, seen).

• JARVIS – AI Desktop Assistant | Python, React, FastAPI

Built an AI desktop assistant that understands voice commands and performs system, browser, and application operations. Integrated a modern React frontend with a FastAPI backend.

• Banking Application | Python, MySQL

Developed a banking application with features like user registration, login, account management, deposits, withdrawals, transactions, and balance inquiry with secure validations.

• Student Management System | Flask, MySQL, REST API

Created a web-based system to add, update, delete, and search student records. Built RESTful APIs using Flask and MySQL for backend operations.

• AI Tic-Tac-Toe | Python, Minimax Algorithm

Developed a Tic-Tac-Toe game where the computer plays optimally using the Minimax algorithm. Includes AI logic, score tracking, and a simple user interface.

EDUCATION

Bachelor of Science in Information Technology (BSc IT)

St. Rocks College, Borivali West

Currently in Third Year

Higher Secondary (HSC)

St. Rocks College, Borivali West

Secondary School

Adarsh Education Society

ACHIEVEMENTS

- Consistently improving problem-solving skills through coding challenges and real-world projects.
- Built multiple end-to-end applications using modern technologies.
- Active on GitHub – regularly contributing to and maintaining projects.

SOFT SKILLS & STRENGTHS

Communication Skills

Teamwork

Problem Solving

Quick Learner

Self-Motivated

Positive Attitude
